

*Redmond Parent Cooperative Preschool*  
**TB TEST INFORMATION**

**Every Adult working at Redmond Parent Cooperative Preschool three or more times during the year must have a current TB test. This test can be completed at Redmond Urgent Care or by your physician.**

**Redmond Urgent care  
8301 161<sup>st</sup> Ave NE  
Redmond, WA 98052  
(425) 883-3333**

**We require a verification certificate which can be obtained from the facility administering & reading the test. Completion of the TB test is required before the preschool student or the working adult may attend preschool classes.**
